

# Prairie Women's Expo

## *New Vendor Registration*

*New vendors will be accepted first come first serve as space allows.*

### **11<sup>th</sup> Annual Prairie Women's Expo April 8, 2017!**

The feedback we received expressed the opinion that the singularity of exhibitors was beneficial and something to be continued. To help us stay "exclusive" please include a detailed description of your product. We ask that you bring only what you list on the registration form. Also, due to the number of jewelry, purse and photography exhibitors increasing in the last couple years and our desire to continue to provide our guests with a diverse and interesting array of products, we are limiting the number of jewelry and purse exhibitors to the first five and photographers to the first four, who send in a paid in full registration.
